For Under 5's

2025 Programme

Lincolnshire Wildlife Trust

Nature Tots gives children under 5 years the chance to explore and play in the great outdoors.

Each session can include activities like crafts, walks and trails, scavenger hunts and nature games. Sessions will also include a snack and a story at the end.

Sessions usually run on the **first Friday** of each month, from **10:00–11:30** at Whisby Education Centre.

Tots and their adults should be dressed appropriately for the weather on the day as we will be outside in the education grounds.

Recommended clothing and equipment lists will be relayed to you before the day of each session.
